'Lunch and Learn' LED Seminar

Upgrade to LED Lighting to Reduce Energy and Maintenance Costs

- Thursday, May 19, 11AM to 1PM
- Location is Pardini's at 2257 W. Shaw Ave.
- Western Lightsource T-shirts for first 50 RSVPs

Upgrading Existing Lamps to LED

11:00AM – 11:45AM

See the latest in dimmable, Energy Star-certified LED replacement lamps with a 45,000-hour life! Whether you currently have reflector style lamps, MR16s or compact fluorescents, there is an LED replacement that will lower energy and maintenance costs.

Speaker
Paul Cohen, Philips

Buffett Lunch

11:30AM – 12:30PM

Tri-tip Au Jus
Lemon and Garlic Chicken
Garlic mashed potatoes
Green salad
Angel hair pasta
And more

LED Outdoor Fixtures Produce Rapid Payback

12:15PM – 1:00PM

With 5,000 installations in over 1,000 cities, BetaLED is the current market leader for LED outdoor fixtures. PG&E, Shell Oil and Kaiser Permanente are among companies who have lowered operating costs and improved lighting quality by upgrading their exterior lighting to LED.

Speaker
Marshall Dunbar,
BetaLED
